WINNING BULL GROUP OF 1946

# Foreword

In the past ten years since the inception of Marellbar Shorthorns we have developed one of the best herds of the breed. We have made great progress in our sales records and show ring accomplishments.

In this offering of November 29th we have included the kind of bulls that should head our herd and the type of females that will improve the best herds in America. Of special consideration are the large number of imported heifers of the best Scottish bloodlines and nearly all of them well forward in calf. They are all valuable foundation cattle.

It has been of special pleasure to all of us at Marellbar to have so many breeders and friends as our guests on Sale days in the past and Curtiss Candy Company join with us in bidding you a hearty welcome to be with us again on Saturday, November 29th.

Curtiss Candy Company are selling six lots that are among the best of the offering. The entire lot was selected with but one thought, to make it the most attractive and most valuable lot of breeding cattle sold this year.

Your herd can be enriched by your purchase in this auction.

John Blume

## ~~~~~ *Shorthorns for Profit and Pleasure* ~~~~~

Once more, on November 29th, Mr. Bartholomay, of Marellbar Farms, owner and John C. Blume, manager, will realize their ambition to sell by auction, at the farm, an offering of Shorthorns second to none that have been or will be sold during the year. Curtiss Candy Company have joined with Marellbar Farms to make this an outstanding sales event from the standpoint of type, character and desirability of all the cattle that will be sold.

The pages of this catalog are replete with information about the ever increasing number of prizes won by Marellbar and Curtiss Candy Company cattle. Some of those winners are included in this offering. All of the rest that will be sold are closely related to these winners, except a dozen or more imported animals that carry the best blood of leading Scottish herds.

It is a pleasure to participate in promoting this sale because every lot that will be sold will become a valuable asset to the buyer and will assist in making his herd a source of profit and pleasure.

Buy these fine Shorthorns and put yourself into a position where you can experience the satisfaction of breeding cattle of the highest merit.

Will Johnson of The Shorthorn World

## For Reference Only

Marellbar Mandate has made an enviable record at the shows in 1946 and Grand Champion at Fort Worth, Texas in 1947. At the Royal Show, Toronto he won the Silver Trophy for the best Shorthorn, bull or female, donated by the British Shorthorn Society. He and Marellbar Captivator both by Klaymor Footprint also won the trophy for the best pair of Shorthorns bred and owned by exhibitor. His record as a sire is now conclusive evidence that he is one of the great Shorthorn Bulls of all times.

Two of his daughters stood 1st and 2nd in the summer yearling class at the Wisconsin State Fair this year. One of his sons stood 2nd at the Illinois State Fair and 2nd at the Wisconsin Show in the junior bull calf class.

Three of his daughters will be sold in this sale — the others are being kept in our herd.

Beaufort Bonspiel's calves will be on display sale day, they are going to create a lot of interest, exceptionally good heads, low set, with wonderful quarters, they are really sensational.

Fifteen of the bred heifers in this sale are well along in calf to him. No better investment could be made than the heifers carrying his service.

Beaufort Bonspiel is destined to become one of the great stock bulls, have every reason to be more than pleased with this first crop of calves.

He has developed into a wonderful bull, extremely low set with great thick hind quarters and I believe he wears as good a head as any bull I know, he is certainly breeding these characteristics in his calves.

Group of heifers for November 29th sale — all being bred to Imp. Beaufort Bonspiel. Ten of group are imported and all by Calrossie Ambition and others by Klaymor Footprint and Marellbar Mandate.

---

---

The next nine heifers were all bred by Mr. Robert McKenzie, Rosshire, Scotland. They were bought when calves running in the field with their mothers in November, 1946 and arrived here on the farm in January this year. They are a grand lot of heifers all sired by Calrossie Ambition by Harvieston Golden Glory and out of a Calrossie Randolph dam. Have had the pleasure of calling at Kildun several times. His herd is small but he has a select herd of choice breeding cows and has always used the best of herd sires.

Some of our best producing cows came from this herd, many of them of the same families that are included in this lot. Last year Marellbar Clara, daughter of Kildun Clara 17th, sold in our sale to Mr. Strauss, Cherryhill Farm, for \$1750. This year Kildun Princess Royal 30th and Kildun Nonpariel 12th produced the first and second prize summer yearling heifers at the Wisconsin State Fair.

Anyone founding a herd would not make a mistake in buying the whole lot. They are all good and can be highly recommended as sound useful breeding prospects.

Nearly all are carrying long service dates to our great breeding bull Beaufort Bonspiel.

They all have good heads, uniform in type, color, and breeding. They will make good in your herd.

---

---

Bred June 23rd to Beaufort Bonspiel.

This heifer is of the same family that produced the famous Actress breeding cows at Bapton.

## *The Curtiss Candy Herd*

---

---

This herd though recently established is one of America's strongest in point of type and character of its members and strength of its pedigrees.

It's herd bulls, Edellyn Peerless Mercury 2129645 and Curtiss Candy Leader 2167976 are as impressive and potent a pair of mature sires as will be found in any herd.

It's females were selected at sales where America's leading breeders were offering their best productions and invariably only the tops were procured for this establishment. Also, a few of the best imported females were bought.

At three of the biggest state fairs this year bulls and females bred by Curtiss Candy Company have been strong winners taking championships and first prize in the get-of-sire classes at one or more of the fairs and first and second prizes at all of them. In the groups these entires were particularly strong, showing that uniformity that is associated with good breeding.

The following six lots in this catalog are Curtiss Candy Company productions and are as good young Shorthorns as can be obtained anywhere. See their pictures and read their pedigrees. Then come and buy them with confidence.
